| Comments After Submission: |                               |

In addition to the requirements specified in the applicable UL Services agreement and Follow-Up Service Procedure, UL further defines responsibilities, duties and requirements for both manufacturers and UL representatives in the document titled "UL Mark Surveillance Requirements" that can be located at [www.ul.com/fus](http://www.ul.com/fus), and in accordance with the applicable terms and conditions of the document at [www.ul.com/responsibilities](http://www.ul.com/responsibilities). Manufacturers without Internet access may obtain the current versions of these documents from their local UL customer service representative or UL field representative. The Field Engineer is completing the inspections per Internal Procedure UL Mark Surveillance Program Policy Manual -ULID-004573.
